THURSDAY, April 18, 1865.

## FOR GOVERNOR

### COL. M. H. BULGER.

## FOR CONGRESS

Fourth Congressional District.

Hon. M. H. Crutcher.

## QUARTY CONVENTION.

A Convention will be held at Liberty church, Talladega Co. on the 30th Saturday in April next, for the purpose of nominating Candidates, to be supported by the people of Talladega Co. at the ensuing election. All voters are invited to attend.

March 25th 1865.

## To Have Holders.

We direct attention of the slave holders of Alabama, and our readers particularly, to the Circular of J. W. Morgan, Esq. Morgan has been assigned to the duty of collecting and gathering the negroes of Alabama for military service.

Also, Geo. Watts has a proclamation in our paper to-day. Read it.

We learn that the Montgomery papers have been placed in the hands of the Government. The Advertiser to Alabama, and the Mail to Columbus, Ga. The Mail and Advertiser are printed in small sheets at the printer's, having just left enough material for that purpose.

We are under many obligations to Col. M. H. Bulger, the police and gentlemanly commander of the 1st Regt. and Mr. N. H. Morgan for late Montgomery papers, for which they will please receive our thanks.

We have no late news from Virginia or Carolina. Our forces have evacuated Richmond. There was terrible shooting going on while our people were leaving the city, rolling stones, shellings, &c. President Davis is said to have fled from Danville, Va., which the reader will find in our paper to-day.

Capt. Geo. White arrived at this place a few days since from Alabama. He reports that he is going out from the 4th Ala. Regt., and was captured at Gettysburg. He looks like he is enjoying good health. We regret that he is not out from home by the enemy.

The following Address of the President, to the people of the Confederacy, will be found exceedingly interesting. It was delivered April 11th. The President issued an address this morning to the people. He says the General in Chief found it necessary to make such movement of troops as to interrupt the telegraphic communication, and he is now endeavoring to restore the telegraph to our cause, resulting from the occupation of the capital by the enemy. It is equally necessary, and it is our duty to allow our arms energies to follow our efforts to restore the telegraph, however dangerous. For many days the telegraph of the Confederacy has been in the hands of a leader whose presence impairs the highest confidence in the telegraph and the people, has been completely paralyzed by the enemy, and is now in the hands of the enemy. It is equally necessary, and it is our duty to allow our arms energies to follow our efforts to restore the telegraph, however dangerous. For many days the telegraph of the Confederacy has been in the hands of a leader whose presence impairs the highest confidence in the telegraph and the people, has been completely paralyzed by the enemy, and is now in the hands of the enemy.

We are authorized to announce that Mr. J. W. Morgan, Esq. is a candidate for the office of Tax Collector of Talladega County. Election 1st Monday in August next.

## FOR TAX ASSESSOR.

JAMES A. HICKMAN is a Candidate for Tax Assessor of Talladega County at the ensuing August election.

## FOR TAX COLLECTOR.

We are authorized to announce that Mr. J. W. Morgan, Esq. is a candidate for the office of Tax Collector of Talladega County. Election 1st Monday in August next.

## BEATRICE HARRIS OF ALA.

Montgomery, March 18, 1865.

THURSDAY, April 18, 1865.

## FOR GOVERNOR

### COL. M. H. BULGER.

## FOR CONGRESS

Fourth Congressional District.

Hon. M. H. Crutcher.

## QUARTY CONVENTION.

A Convention will be held at Liberty church, Talladega Co. on the 30th Saturday in April next, for the purpose of nominating Candidates, to be supported by the people of Talladega Co. at the ensuing election. All voters are invited to attend.

March 25th 1865.

## To Have Holders.

We direct attention of the slave holders of Alabama, and our readers particularly, to the Circular of J. W. Morgan, Esq. Morgan has been assigned to the duty of collecting and gathering the negroes of Alabama for military service.

Also, Geo. Watts has a proclamation in our paper to-day. Read it.

We learn that the Montgomery papers have been placed in the hands of the Government. The Advertiser to Alabama, and the Mail to Columbus, Ga. The Mail and Advertiser are printed in small sheets at the printer's, having just left enough material for that purpose.

We are under many obligations to Col. M. H. Bulger, the police and gentlemanly commander of the 1st Regt. and Mr. N. H. Morgan for late Montgomery papers, for which they will please receive our thanks.

We have no late news from Virginia or Carolina. Our forces have evacuated Richmond. There was terrible shooting going on while our people were leaving the city, rolling stones, shellings, &c. President Davis is said to have fled from Danville, Va., which the reader will find in our paper to-day.

Capt. Geo. White arrived at this place a few days since from Alabama. He reports that he is going out from the 4th Ala. Regt., and was captured at Gettysburg. He looks like he is enjoying good health. We regret that he is not out from home by the enemy.

The following Address of the President, to the people of the Confederacy, will be found exceedingly interesting. It was delivered April 11th. The President issued an address this morning to the people. He says the General in Chief found it necessary to make such movement of troops as to interrupt the telegraphic communication, and he is now endeavoring to restore the telegraph to our cause, resulting from the occupation of the capital by the enemy. It is equally necessary, and it is our duty to allow our arms energies to follow our efforts to restore the telegraph, however dangerous. For many days the telegraph of the Confederacy has been in the hands of a leader whose presence impairs the highest confidence in the telegraph and the people, has been completely paralyzed by the enemy, and is now in the hands of the enemy.

We are authorized to announce that Mr. J. W. Morgan, Esq. is a candidate for the office of Tax Collector of Talladega County. Election 1st Monday in August next.

## FOR TAX ASSESSOR.

JAMES A. HICKMAN is a Candidate for Tax Assessor of Talladega County at the ensuing August election.

## FOR TAX COLLECTOR.

We are authorized to announce that Mr. J. W. Morgan, Esq. is a candidate for the office of Tax Collector of Talladega County. Election 1st Monday in August next.
